

Saint Valentine

St. Valentine was a holy priest in Rome, who, with St. Marius and his family, assisted the martyrs in the persecution under Claudius II. He was apprehended, and sent by the emperor to the prefect of Rome, who, on finding all his promises to make him renounce his faith in effectual, commended him to be beaten with clubs, and afterwards, to be beheaded, which was executed on February 14, about the year 270. Pope Julius I is said to have built a church near Ponte Mole to the memory, which for a long time gave name to the gate now called Porta del Popolo, formerly, Porta Valetini. The greatest parts of his relics are now in the church of St. Praxedes. His name is celebrated as that of an illustrious martyr in the sacramentary of St. Gregory,

February Birthdays
A Birthday Blessing!

Life is change...

This much we know. We plant a seed, we watch it grow. A caterpillar, small and shy, unfurls into a butterfly. An acorn falls so it can be transformed into a sturdy tree.

And so we know when change arrives across the landscape of our lives, we still can trust that it will mean a special BLESSING not yet seen.

As you grow into all that God has planned for you this year, May each day give way to Blessing after Blessing.
