

**ST. GREGORY SCHOOL FAMILY
CHURCH SUPPORT COMMITMENT**

To the Pastor and the Principal:

As my family's share of support of St. Gregory Church, ***effective immediately*** I will contribute the following checked amount weekly in my offertory envelopes:

___\$17 ___\$20 ___\$25 ___ \$30 ___ over \$30 (specify amount) \$_____

Category Description for Support Rates:

Support Rates for tuition are based on the contribution (through offertory envelopes) to St. Gregory Church of a minimum sum of \$850 during the previous calendar year. Please note: **The Church Support Contribution amount for calendar year 2011 will be used to determine a family's 2012-2013 tuition rate.**

Support Rate tuition is based on the time period during which the family was living in the parish.

You are required to use the Sunday Offertory Envelopes in making your contributions. This method ensures an accurate record of your contributions.

Tuition Adjustment

Families whose children are already enrolled in St. Gregory School and who encounter unexpected financial difficulties may apply for financial assistance. The most recent Income Tax Return and a recent pay stub will be required by the committee before any tuition adjustment is considered.
